

Product sheet

Kids Place Dino

About the product

Kids Place Dino is a unique wall design in the shape of a dino. The dino is made of a 9 mm thick PET felt. You can fix the dino's elements against each other. But to get a more playful effect, you can alternatively choose to stick the elements onto the wall at some distance from each other. It is how you create special wall decorations for the nursery or baby room!

Material

Made from 9 mm PET felt at least 50% of which consists of recycled material.

Size

Kids Place Dino wall decoration is 117 cm in height and 146 cm in width.

Colours

Kids Place Dino consists of several elements. These are divided into 2 colours.

The dino comes in 3 standard colour combinations:

- A - dark green and grass
- B - blue and sand
- C - khaki and caramel

Customised solutions

At an additional cost, you may also choose your own colour combination, please contact us for this.

Fire safety

The felt panels have been tested in accordance with EN-13501 and meet fire class B-s1, do.
